Your real-life heroes or heroines ?

My father

In 1984, on returning from military service, I decided to take on my parents' estate in Marcillac. I gradually expanded and restructured the vineyard, which now covers 22.5 hectares. I'm very proud to have preserved this family legacy.

Château Puy de Guirande BORDEAUX

Village : Marcillac

Total surface of the vineyard : 22.5 hectares

Type of soils : Sandy gravel

Blend of grape varieties : 70 % Merlot, 25 % Cabernet Sauvignon et 5 % Cabernet Franc

Wine vinification : Pumping over and delestage during alcoholic fermentation, perfect control of temperatures. Racking after malolactic fermentation followed by aging in concrete vats.

Tasting notes : The garnet colour is still young. The pleasing nose offers a delicate combination of fruity and floral notes. On the palate, the fine attack full of sap and great freshness blends with distinctive, mouth-watering tannins evoking liquorice. A very harmonious and aromatic Bordeaux.

Wine and Food pairing : Stewed white meats

Awards :

Vintage 2015 : Gold medal Concours International de Lyon 2016, Gold medal CWSA 2016, Gold medal Gilbert & Gaillard 2016

Vintage 2016 : Gold medal Frankfurt International Wine Trophy 2017, Silver medal Sakura Awards 2016
