

Château Les Aubiers

Jean-François REAUD

Your favourite thing about wine ?

Its finesse, its complexity

Your favourite activity ?

I like meeting up with friends for a drink

The quality you most appreciate in friends ?

Letting go

The natural gift you would like to have ?

To be a musical genius

I love wines for their delicacy and complexity and I'm passionate about our Right Bank. In 1980 I therefore had not the slightest hesitation in taking over the helm of the estate created by my great-grandfather in 1904 and was proud to do so. When I took on the estate it had also started to grow other crops, and the vines covered only 7 hectares. I returned it to its original purpose and restructured, modernised and extended it; today it covers 81 hectares. I'm sensitive to environmental issues and I also own Château Les Aubiers which has 25 hectares of vines, organically farmed since 2011.

Château Les Aubiers

BLAYE CÔTES DE BORDEAUX

Village : Saint Aubin de Blaye

Total surface of the vineyard : 25 hectares

Type of soils : Sandy gravel

Blend of grape varieties: 80% Merlot, 15% Cabernet Sauvignon, 5 % Malbec

Wine vinification : Cold maceration according to grape quality. A slow start to alcoholic fermentation with pumping over 2 or 3 times a day followed by delestage. Three weeks' gentle maceration at a temperature of 22°C. Aged in cement vats. **Tasting notes:** A beautiful deep colour with purple glints. The ripe, intensely fruit-driven nose is emphasised by spicy, woody notes. On the palate, the frank attack softens with well-integrated tannins. An expression of ripe fruit is underpinned with freshness. Velvety and pleasant in style, with great generosity.

Wine and Food pairing : Chicken with spices

Château Les Aubiers

BORDEAUX ROSE

Village : Saint Aubin de Blaye

Total surface of the vineyard : 25 hectares

Type of soils : Sandy gravel

Blend of grape varieties : 60% Merlot, 20% Cabernet Sauvignon, 20 % Cabernet Franc

Wine vinification : Vinified by pressing directly with a pneumatic press, perfect control of temperatures between 16 and 18° during fermentation, which lasts from 2 to 3 weeks. Fining followed by filtration.

Tasting notes: Pale in colour, the wine is a bright light pink.

The impressive nose is marked by acid drop aromas; the palate is supple with a frank very fresh attack with distinctive amylic aromas. As a whole it is generous, extremely thirst-quenching and highly drinkable. This is a true and technically very accomplished rosé made by direct pressing.

Wine and Food pairing : Marinated chicken skewers
