

Château Haut Lignac

Sébastien NINAUD

The main trait of your nature ?
I am ambitious

The occupation you prefer ?
Sport

What do you like about wine ?
Being a wine grower, being a
outside

What's your favourite
flower ?
A geranium

Established in January 1999, Sébastien Ninaud began to farm 8 hectares of vines in the municipality of Saint-Androny. The following year, he acquired 8 hectares of land on which he gradually planted vines. In 2018, it operates nearly 16 hectares of vineyards.

In March 2019, he took over the vines of his parents to create the SAS Vignobles Ninaud. The SAS Vignobles Ninaud currently has 35 hectares in the municipality of Saint-Androny. Located in Lieudit Lignac, Château Haut Lignac is part of the Blaye Côtes de Bordeaux appellation and is based on a clay-limestone terroir. The vineyard consists mainly of the grape variety merlot and cabernet sauvignon.

Château Haut Lignac BLAYE CÔTES DE BORDEAUX

Village : Saint-Androny

Vineyard surface : 35 hectares

Soils : Clay-limestone

Grape varieties : 90 % Merlot, 10% Cabernet sauvignon

Wine-making process : Cold maceration depending on the quality of the grapes. Slow start of alcoholic fermentation with 2 to 3 times a day and then shedding. 3-week soft maceration at 22°C. Maturing in cement tank.

Tasting notes : The wine is concentrated in a beautiful youthful glow. A nice spicy nose and ripe black fruits precede a soft attack, very welcoming with its freshness and fruitiness. The mouth is sweet and greasy coated with polished tannins.

Wine pairings : Spiced chicken
