Your main character trait?

I am demanding

Your favourite activity?

I like playing tennis

Your favourite thing in wine?

The pleasure of tasting

The quality you most appreciate in friends?

Sincerity

My family has been running the estate for four generations! I joined my parents in 2000 after vine and wine studies and then became associate in 2010. I am very proud to be able to perpetuate the family know-how and to think that our vineyard has grown from 4 to 23 hectares. We maintain impeccably high standards in managing our vines to offer quality wines and ensure that tasting them is a guaranteed pleasure. In 2021, I decided to turn my vineyard to organic farming in order to remain faithful to my terroir.

Château Puy Galland

LUSSAC SAINT EMILION

Village: Lussac

Total winegrowing area: 22 hectares

Terroir: Soils of clay-limestone – 50-year-old vines

Winemaking and ageing: Mechanical harvest with onboard sorting at the beginning of October. Traditional winemaking with temperature-monitoring in stainless-steel vats. A slow start to alcoholic fermentation with pumping-over twice a day. Three weeks' gentle maceration at a temperature of 22°C. Malolactic fermentation in concrete vats. Aged in cement vats and barrels.

Blend: 100% Merlot

Tasting comments: The colour is deep. The nose opens with underwood flavours. The palate is full-bodied with fine and melted tanins. The fruit is ripe and juicy. The wine is round and nicely-balanced.

Food and wine pairings: Poultry, beef and game meat
