In my family, winemaking is a passion since the 1920s! My great grandfather, Marcel Bodet, initiated the wine activity at the time. I joined the family winery in 2014, after my parents, Marc and Agnès, had conducted the vineyard's restructuring and its facilities. Today, I represent the fourth generation of winegrowers at Château Sirac, located in Saint-Laurent-d'Arce village within the Côtes de Bourg appellation terroir.

Cuvée Bacchus Château Sirac CÔTES DE BOURG

Village: Prignac-et-Marcamps, Saint-Laurent d'Arce

Terroir: Soil of clay-limestone, and subsoil of asteriated limestone - North-South and East-West exposure - 20-year-old vines

Winemaking and ageing: Parcel selection from south-east facing clay-limestone soils that retain freshness. Harvesting at full phenolic ripeness in the early morning to preserve cool grape temperatures. Temperature-controlled alcoholic fermentation with gentle extraction of tannins and polyphenols. Daily stirring of the fine lees during post-fermentation maceration.

Blend: 55% Merlot, 45% Malbec

Tasting comments: Deep, intense colour. The nose opens with bright, tangy fruit aromas. The palate reveals flavours of redcurrant and crushed strawberry, supported by supple tannins. A fresh, highly drinkable wine.

Food and wine pairings: Roast rack of lamb
