"Aubier" is a typical tree of the region surrounding the historic estate of our family. Most commonly, "aubier" means sapwood : the living part of a tree, right under the bark. It transports sap and protects the heartwood during winter. Château Les Aubiers is a loyal expression of the local history, of our landscape richness and of my sensitivity towards environmental issues. As a player of the environmental diversity of Blaye territory, wines of Château Les Aubiers translate into 3 different personalities: red, rosé and white.

Château Les Aubiers

BLAYE CÔTES DE BORDEAUX

Village: Saint-Aubin-de-Blaye

Terroir: Sandy gravel soils and clay-sandy subsoils - east/east-south sun exposure - 28-year-old vines

Winemaking and ageing: Mechanical harvesting in early September. Traditional vinification in stainless steel and concrete tanks. Cold maceration depending on grape quality. Slow start to alcoholic fermentation with pump-overs two to three times a day, followed by rack and return. Gentle maceration for 15 to 20 days at 25°C. Ageing with oak chips.

Blend: 80% Merlot, 15% Cabernet Sauvignon, 5% Malbec

Tasting comments: Deep colour with purple highlights. The nose is ripe, revealing concentrated fruit aromas with delicate hints of spice. The palate opens with a lively attack, leading to smooth, well-integrated tannins. The ripe fruit retains excellent freshness, resulting in a velvety, generous and highly enjoyable wine.

Food and wine pairings: Mildly spiced roast chicken and roasted root vegetables
