Château Haut Bigord is an estate that has been in my family for three generations. Successive members of the family have put their hearts into developing and expanding it. I decided to take over from my parents officially in 2013 after my studies and three years abroad. I run the estate, which has been organic since I arrived, with great pride and dedication. The vineyard is a true mosaic of terroirs, as it is a reunion of my two grandfathers' vines. That gives complexity to my wine.

Village: Reignac, Anglade, Saint Androny, Eyrans

Terroir: Soil of sandy-clay and clay-limestone – Subsoil of clay-limestone – 45-meter-high – South-West sun exposure – 25-year-old vines

Winemaking and ageing: Mechanical harvest at the end of September. Grape-sorting. Traditional winemaking, low-temperature fermentation. No added sulphur. Pumping-overs and delestage. In vats for 3 weeks. Ageing in concrete vats.
