Easy to choose, good to share. One grape variety, three attributes: fresh, crisp, zesty. This Sauvignon Blanc is made to bring people together. Born in the Blaye C??tes de Bordeaux appellation, the heartland appellation of the Vignobles Gabriel & Co collective, where it all began, it carries the signature of its winemaker, Bruno Belly, whose name appears on every bottle. Its label features a glass of wine, the one we raise together, a symbol of the shared moment and of the bond that forms around a bottle. Its lightweight 410 g Burgundy-style bottle breaks with Bordeaux conventions. The absence of a capsule and the recycled paper label extend its environmental commitment. Organic and fair trade wine, Fair for Life certified.
