I settled as a young winegrower in 1988 in Blaye Côtes de Bordeaux appellation, following my parents' footsteps who were winegrowers in Mazion, and producers of Pineau and Cognac in Charente region.
With my three vineyards, in three different appellations (Blaye, Bourg, Bordeaux Supérieur), I decided in 2020 to create a wine solely out of Malbec vines. Characterful and with a strong personality just like me, the wine 100% Pourpre gives you a clear view of my temperament. The nose will surprise you with vigour and its bold start. The palate will reveal its generosity and velvety heart.
