Located in the village of Saint-Androny, the vineyard of Château Haut Lignac counts 35 hectares of vines, mostly planted with Merlot and Cabernet Sauvignon. The name of the estate comes from the name of its exact location and it benefits from its clay-limestone soils. Sébastien Ninaud, the owner, has given his trust to make Chateau Haut Lignac wine. Today, we work hand in hand to make of this vineyard a safe value of Blaye Côtes de Bordeaux appellation depicting the local terroir.

Château Haut Lignac

BLAYE CÔTES DE BORDEAUX

Village: Saint Androny

Terroir: Clay-limestone

Winemaking and ageing: Cold maceration depending on grape quality. Slow start to alcoholic fermentation with pump-overs two to three times a day, followed by rack and return. Gentle maceration for 15 to 20 days at 25°C. Ageing in concrete tanks.

Blend: 100% Merlot

Tasting comments: Deep, youthful colour. The nose reveals ripe black fruit aromas with delicate spicy notes. The palate opens with a supple, smooth attack, offering freshness and generous fruit flavours. Rich and generous, it is supported by polished tannins.

Food and wine pairings: Spiced chicken
